#### Please note:

- Do not contact Bell Canada to disconnect the high speed Internet Service. Migration cannot be proceeded when an order to disconnect the high speed service is present in Bell's systems.
- You will be billed until your next bill date as per terms and conditions of Bell Canada.
- If you have a contract with Bell Canada, you could be breaking a contract and early termination fees may apply.
- If you have a bundled service from Bell Canada which includes a high speed component, the bundle service will be removed from your phone line and you are accountable for any charges and/or new rates that may apply to service unbundling.
- You are responsible to return Bell Canada of any equipment that is leased or own by Bell.

**Please send together with a copy of the most recent Internet bill from Bell Canada**
